Bilingual 1 Program: K-12	Gyoshu High School: Grades 10-12
School Year: Trimester, April – March	IB exams taken in November
All students are enrolled in the full International Baccalaureate Diploma Program	

Katoh Gakuen Gyoshu High School is a private Japanese school founded in 1982 as a university preparatory school. We became the first school in Japan to be both accredited by Japan's Ministry of Education and an International Baccalaureate World School -- offering the Middle Years Programme (MYP) from 2000 and the Diploma Programme (DP) from 2002. The Bilingual Program is one of three course options offered at our school. Our Bilingual Program students take all their MYP and DP classes in English, with the exception of Japanese literature and Mandarin *ab initio*. All of our instructors are certified high school teachers, coming from a range of countries. Depending on their individual future interests, nearly all of our students go on to study at domestic universities here in Japan or at universities abroad.
